

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 3828 - HB 3814

February 15, 2010

SUMMARY OF BILL: Reduces from 30 to 10 days the amount of time a TennCare enrollee or applicant for uninsured or uninsurable coverage must mail documentation of any information change. Requires the Commissioner of Health to consult with the Bureau of TennCare prior to requesting early completion of the Joint Annual Report.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- Requiring enrollees and applicants to provide information in a shorter period of time will not have a significant impact on the current procedures of the Bureau of TennCare. Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
- The Department of Health currently has to consult with the Tennessee Hospital Association prior to requesting early completion of the Joint Annual Report of hospital statistics. Consulting with the Bureau of TennCare will not result in a significant increase in expenditures.
